

Manage the challenges

together with your **Trusted Advisor**

WE ARE LOOKING FOR:
(Senior) Manager IT Assessment (m/f/d)

LOCATION:
Remote work (ASG region)

WE ARE...

AdEx Partners was founded out of the drive to make complex transformation projects successful and to live management consulting differently. **Together with our customers, we define the goal and prerequisites for a successful transformation, develop tailor-made solutions and provide pragmatic support for implementation.**

As a **trusted advisor**, we support companies on both a strategic and operational level. **Independently, honestly and reliably**, we support our customers based on many years of industry knowledge, also in the area of line competence. Appreciative interaction and collaborative cooperation correspond to our self-image. Through **knowledge sharing**, we achieve added value that has an impact beyond the project team.

WE ARE LOOKING FOR...

A (Senior) Manager IT Assessment (m/f/d) who supports our customers in the comprehensive analysis and optimization of their IT landscapes, processes and systems. The specific tasks include the following responsibilities:

- **Conducting comprehensive IT assessments** to assess the effectiveness and efficiency of our customers' IT landscape, processes, and systems
- **Identification of risks, vulnerabilities and potential for improvement** within the IT infrastructure and applications
- Develop **strategic recommendations** to optimize IT performance and support business goals
- **Leading and managing projects** to implement recommended IT strategies and solutions, including managing project teams
- **Presenting assessment results** and strategic recommendations to our clients' stakeholders and executives
- Support in the **acquisition of new projects** through technical expertise and convincing customer presentations
- Active **participation in the further development** of our methods and tools in the field of IT assessment

WHAT YOU BRING...

Passion and enthusiasm are more important to us than certificates or references, but the following skills will help you to be successful with us:

- A degree in **Natural Sciences, Computer Science, Business Informatics** or a comparable field
- Several years of **relevant professional experience in IT Consulting**, especially in the implementation of IT assessments
- An in-depth **understanding of current IT trends**, technologies, and best practices
- Experience in **leading projects and teams**, ideally in a consulting environment
- Strong **problem-solving skills** and the ability to communicate complex issues in a clear and understandable way
- High level of **initiative and adaptability to new challenges**
- **Business-fluent language skills in German and English**, both spoken and written, and a **willingness to travel** within the ASG region

OUR OFFER...

We offer you exciting engagements with highly relevant issues and state-of-the-art technologies with well-known customers from upper medium-sized businesses to DAX corporations. In addition, you can expect a variety of other **benefits**, such as:

- A young, agile **hands-on company** with a great deal of creative freedom and **flat hierarchies**
- Performance-based, transparent **bonus system**
- Flexible working hours incl. **remote regulation**
- **Employee assistance program** to support employees in all areas of life
- Individual **training** and personal **coaching**
- **Bike leasing** and fitness with EGYM Wellpass
- **Latest hardware** (choice of smartphone) - also for private use
- **Corporate events** such as regional regulars' tables, annual kick-off and the legendary Family & Friends summer event
