WE ARE...

AdEx Partners was founded out of the drive to make complex transformation projects successful and to live management consulting differently. **Together with our customers, we define the goal and prerequisites for a successful transformation, develop tailor-made solutions and provide pragmatic support for implementation.**

As a **trusted advisor**, we support companies on both a strategic and operational level. **Independently, honestly and reliably**, we support our customers based on many years of industry knowledge, also in the area of line competence. Appreciative interaction and collaborative cooperation correspond to our self-image. Through **knowledge sharing**, we achieve added value that has an impact beyond the project team.

WE ARE LOOKING FOR...

a **(Senior) Manager Sourcing & Procurement – focus on S/4HANA (m/f/d)** for the implementation of our customers' IT strategy with the following responsibilities:

- Develop **customized customer solutions** related to current challenges in the **SAP Sourcing & Procurement** environment with a focus on SAP S/4HANA and SAP Ariba
- Concept for the **design, harmonization and integration of business processes in cooperation with the business units in the field of SAP Procurement in an international context**
- Responsibility for the **development of the roadmap and concept** with regard to the business transformation in the field of SAP Sourcing & Procurement, Supplier Management, Strategic Sourcing, Contract Management, Catalog Management - from the planning of the IT architecture to project management during implementation
- **Leadership responsibilities** at the interface between the departments and IT, as well as professional development of the project staff

WHAT YOU BRING...

Passion and enthusiasm are more important to us than certificates or references, but the following skills will help you to be successful with us:

- A degree (e.g. **Business Informatics, Business Administration**)
- **Several years of professional experience** - preferably in a consulting firm with extensive knowledge in the **SAP environment**
- Extensive knowledge in the field of strategic conception as well as technical implementation of **sourcing and procurement**, using modern SAP solutions such as **S/4HANA and SAP Ariba**
- **Experience in direct interaction with decision-makers on all levels** regarding process modeling, implementation and migration management
- **Project management, coaching, and leadership** experience in the IT sector
- **Project experience in both local and international markets**, combined with a high degree of work independence and a solution driven mindset
- **Business-fluent language skills in German and English**, both spoken and written, and a **willingness to travel** within the ASG region

OUR OFFER...

We offer you exciting engagements with highly relevant issues and state-of-the-art technologies with well-known customers from upper medium-sized businesses to DAX corporations. In addition, you can expect a variety of other **benefits**, such as:

- A young, agile **hands-on company** with a great deal of creative freedom and **flat hierarchies**
- Performance-based, transparent **bonus system**
- Flexible working hours incl. **remote regulation**
- **Employee assistance program** to support employees in all areas of life
- Individual **training and personal coaching**
- **Bike leasing** and fitness with **EGYM Wellpass**
