

# Manage the challenges

together with your **Trusted Advisor**

WE ARE LOOKING FOR:  
(Senior) Manager with a focus on Travel,  
Transport & Logistics (m/f/d)

LOCATION:  
Remote work (ASG region)

## WE ARE...

AdEx Partners was founded out of the drive to make complex transformation projects successful and to live management consulting differently. **Together with our customers, we define the goal and prerequisites for a successful transformation, develop tailor-made solutions and provide pragmatic support for implementation.**

As a **trusted advisor**, we support companies on both a strategic and operational level. **Independently, honestly and reliably**, we support our customers based on many years of industry knowledge, also in the area of line competence. Appreciative interaction and collaborative cooperation correspond to our self-image. Through **knowledge sharing**, we achieve added value that has an impact beyond the project team.

## WE ARE LOOKING FOR...

a (Senior) Manager with a focus on Travel, Transport & Logistics (m/f/d) for the development and implementation of complex (digital) projects along the value chain, in IT and new business models of our travel, transport and logistics customers with the following key responsibilities:

- Planning, management and implementation of **strategy, transformation, integration or implementation projects** in the travel, transport and logistics industry along the entire value chain and complementary ecosystems
  - e.g. **Definition of (digital) business models**, increase in operational efficiency, **improvements of process and IT landscapes up to topics in the areas of IT service management, integration and cloud migration, data analytics**
- Support of the project management and decision-makers on the customer side as a respected **sparring partner at eye level**
- **Independent development of topics** relevant to the travel, transport and logistics industry
- Market development and sales activities

## WHAT YOU BRING...

Passion and enthusiasm are more important to us than certificates or references, but the following skills will help you to be successful with us:

- A degree in **Business Administration, Computer Science (or Business Informatics)**, or a comparable field
- Several years of **project and project management experience** in a consulting firm and/or in a line function in the Travel, Transport & Logistics industry
- Enjoyment in **networking** with clients in the travel, transport, and logistics industry and **driving sales activities** within the team
- **Technical knowledge in the travel, transport & logistics industry** as well as current market developments & trends. Additional topics such as predictive analytics, IoT, supply chain management, or sustainability are desirable
- Extensive and **practical experience in transformation and digitization projects** (waterfall, agile, hybrid)
- Outstanding **analytical skills** and a structured, self-responsible working style
- **Business-fluent language skills in German and English**, both spoken and written, and a **willingness to travel** within the ASG region

## OUR OFFER...

We offer you exciting engagements with highly relevant issues and state-of-the-art technologies with well-known customers from upper medium-sized businesses to DAX corporations. In addition, you can expect a variety of other **benefits**, such as:

- A young, agile **hands-on company** with a great deal of creative freedom and **flat hierarchies**
- Performance-based, transparent **bonus system**
- Flexible working hours incl. **remote regulation**
- **Employee assistance program** to support employees in all areas of life
- Individual **training** and personal **coaching**
- **Bike leasing** and fitness with EGYM Wellpass
- **Latest hardware** (choice of smartphone) - also for private use
- **Corporate events** such as regional regulars' tables, annual kick-off and the legendary Family & Friends summer event
